TERMS AND CONDITIONS SUPERSHORTLEASE (2026-2 Private)

Supershortlease is part of Rebel Lease B.V.

Art. 1 The short lease rates are including VAT and excluding fuel

Art. 2 The short lease rates include:

- Depreciation, also from the BPM
- Interest
- Road tax
- Insurance (Art. 9)
- Regular maintenance, repairs and normal tire wear (Art. 19 & 21)
- 24-hour emergency service (Art. 10)
- Vehicle replacement (Art. 11)

Art. 3 Duration of the agreement
The minimum term is one month, unless otherwise agreed by contract. After the minimum term, the term is tacitly extended by one day each. The maximum duration is unlimited. A short lease month is set at 30 days, regardless of the calendar month. The exact number of days will be settled on the final invoice.

Art. 4 Conclusion of the contract
The agreement is concluded if the relevant quotation has been completely and correctly completed by the customer and has been legally signed and accepted by Rebel Lease B.V.
Rebel Lease B.V. can refuse a quotation without further explanation.

Art. 5 Payment
The short-lease rate will be debited monthly by prepayment and direct debit on the first of the month. The lease price over a part of the month will be calculated pro rata. The customer authorizes Rebel Lease B.V. to collect the monthly lease price of the bank account stated on the lease contract. In the case of a private short lease, the customer pays monthly in advance within 7 days of the invoice date.

Art. 6 No timely payment
The customer is in default without further notice of default if the direct debit has not been successful.
The customer will be given the opportunity to manually transfer the invoice amount within 5 working days in case of a first reversal, without adding extra costs.
In the event of a second reversal, an amount of € 18.15 incl. VAT will be charged for administration costs and the direct debit will be removed and replaced by the payment condition: “prepayment”.
If the outstanding amount is not paid within the set term, Rebel Lease B.V. reserves the right to remotely stop the vehicle as long as the arrears have not been paid. An amount of € 60.50 incl. VAT will be charged for activating the vehicle.

Art. 7 Extra kilometers/mileage
For extra kilometers/mileage, a price per kilometer is calculated, as agreed in the lease contract. If the extra kilometers exceed 10% of the agreed mileage, Rebel Lease B.V. is authorized to adjust the rate, as indicated in the short lease rates list, with retroactive effect to the actual mileage with the associated lease amount.

Art. 8 Pick-up & delivery service

- Charging on the go (per charging session) € 36.30
- Refueling on the road (per refueling) € 12.10

Amounts are per movement, excluding fuel, electricity and including VAT

Pick up at one of our offices is free of charge. The start and end mileage of the contract with the associated tank capacity are determined on departure and return at one of the HuurMij renting offices.
Exchange during the contract period at the initiative of Rebel Lease B.V. are free of charge. For exchange on the customers initiative, we charge an administration fee of € 90.75 incl. VAT. This is separate from transport costs.

Art. 9 Insurance
The monthly lease price includes the following insurance:

- Coverage: liability + casco under own management
- Insured amount: € 2,500,000 liability
- Passenger Insurance (SVI) covering the statutory maximum number of seats in the car. Sum insured: €1,000,000.

In the event of damage, the contractor will owe the agreed amount of the deductible, unless the damage that has arisen is fully compensated by a third party. For drivers under the age of 25, the excess is doubled.

- With each additional non-recoverable damage within 12 months after the first damage, the height of the own risk is doubled.
- For a third non-recoverable damage within 12 months after the first damage, we have the right to terminate the contract immediately.
- The excess for replacing a windscreen, because there is a crack or a non-repairable star, is at least € 250. Glass repair is also covered by the deductible.
- Administration costs is charged per claim is € 18,15 incl. VAT

Parts of the car that do not belong to the equipment as supplied by Rebel Lease B.V. are not covered by the insurance taken out by Rebel Lease B.V.

Art. 10 Alarm service
In the event of a breakdown, the customer can call on our alarm service. This can be achieved 7 days a week, 24 hours a day. Information is in the vehicle and / or on our website. In certain cases, but not

exclusively, such as the incorrect refueling or other problems caused by own fault, the costs are passed on to the contractor.
The maximum amount of own risk for calling the emergency service in the event of a flat tire is € 150.

Art. 11 Vehicle replacement
In case of repairs, maintenance or repair of damage, which lasts longer than 24 hours, the customer is entitled to replacement transport. The costs for the first 24 hours are for the contractor.
If a replacement vehicle is provided, Rebel Lease B.V. is entitled to supply a vehicle that differs from the hired vehicle in terms of make, model, specification and/or vehicle category. Restrictions may be imposed on the replacement vehicle with regard to type, availability and use.
The costs of fuel, fines, tolls and other running costs of the replacement vehicle shall be borne in full by the contracting party.
Any kilometres driven in the replacement vehicle are at the contracting party's expense and risk and will, where applicable, be set off against the number of kilometres agreed in the lease agreement.
The contracting party may not claim the right to a specific make, model, fuel type or specification of the replacement vehicle.

In the case of non-recoverable damages, the costs for replacement transport are the first day for the account of the contractor. Non-recoverable damage is always repaired in-house, with possible exchange costs being for the account of the contracting party and outside the own risk.

Art. 12 Deposit and first monthly payment
The deposit is at least one month's term. The amount depends on the credit check and must be paid together with the first lease term prior to the vehicle being made available. After the vehicle has been returned or the short lease agreement has been terminated, the deposit will be refunded, or offset against other outstanding items arising from the same lease contract, such as, but not limited to, fines and damage.

Art. 13 Termination of the agreement
After expiry of the minimum duration, the agreement can only be canceled by the customer by e-mail, subject to a notice period of one day. After receipt of the cancellation, Rebel Lease B.V. will send the customer a written confirmation thereof. In consultation, the car will be picked up by Rebel Lease B.V. or returned by the contractor. An intake report is drawn up for this. If it is not possible to check the car properly, for example, but not exclusively, because the weather is bad, the car is dirty or it is too dark, the intake will be done at the location of HuurMij.

Cancellation before the agreed minimum duration is possible. The notice period remains one day. One monthly installment will be charged as cancellation fee on the final invoice.

Art. 14 Conditions
The customer accepts the conditions as stated in the agreement of Rebel Lease B.V. Leasing of the vehicles is based on category. We try to take account of possible preferences. For this the customer is dependent on the availability of the vehicle. The list of brands and types is only indicative and can change at any time.

Art. 15 Price adjustments
Rebel Lease B.V. is entitled, during the term of the right of use, to adjust the prices due to possible price changes. The price changes of the holder's tax, insurance, fees, taxes and other price changes permitted by the government can be fully implemented from the time that these changes occur.

Art. 16 Excluded branches and reletting
Rebel Lease B.V. does not offer short lease options for the cab industry, rental industry and courier industry. Subletting of short lease cars is not permitted.

Art. 17 Reclaim the vehicle
Rebel Lease B.V. is entitled to recover its properties or to remotely stop them in the event of default of payments and obligations or unlawful use of the vehicle by the contractor or driver. All costs arising from this are for the account of the contractor. As a result, Rebel Lease B.V. is entitled to terminate the contract with immediate effect.

Art. 18 Vehicle Telematics
All our vehicles are equipped with vehicle telematics which sends, receives and stores information about distance. Vehicle telematics is a way of monitoring the location, the movements, the status and the behavior of one or more vehicles.
In the event of repeated determination of (extremely) high speeds (170 km p/h or higher, Rebel Lease B.V. will report this to the tenant and Rebel Lease B.V. reserves the right to increase the deductible per damage to € 2,500.
Within Rebel Lease B.V. there's one specific person authorized to view this information. This information is never shared with third parties, except in case of a claim by the police or justice department.
